

AVS 2011 Prairie Chapter Meeting

September 1, 2011

The focus topic for the 2011 meeting is **Graphene and Related Materials**. We have four outstanding plenary presentations on this topic. There will also be contributed presentations on topics of general interest to the AVS community, as well as a poster session with cash prizes and a vendor exhibit.

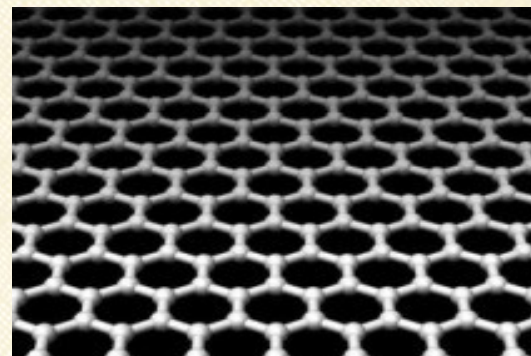

Registration for the meeting is \$25 for students and postdocs and \$55 for everyone else. For students who are not currently members of the AVS, meeting registration includes a 1-year membership. Lunch and refreshments during breaks are included in the fee. Registrations received after **August 18** will be subject to a \$10 late fee.

There will be a **short course on surface analysis** presented the day following the chapter meeting (Sept. 2) by Prof. Luke Hanley. See the website listed at the bottom for details.

Call for abstracts

*Please submit your oral or poster presentation abstract via the web site listed below by **August 3***

***Cash awards** will be given to the top three student posters presented at the meeting*
